

### Interior or Exterior

### Step 1 Clean Hydrogen Peroxide 69002

#### Product Description:

Step 1 Clean Hydrogen Peroxide Cleaner is an advanced hydrogen peroxide cleaner designed specifically to clean and remove stains caused by mold and mildew on most surfaces around the home. When applied, the powerful formula penetrates deep, producing a high-foaming action that instantly lifts stains.

After cleaning, use Step 2 Kill Disinfectant & Deodorizer to disinfect and eliminate odors. Finish with an application of Step 3 Control to provide long term mold resistance. This best-in-class formula is designed for use by homeowners and professionals.

#### Recommended Use:

Wood, drywall, concrete, stone, plastic, grout, tile, laminate, carpet, fabric, vinyl.

#### Application:

1. Apply product onto surface with pump sprayer, sponge, or brush until evenly wet.
2. Allow enough time for the product to work into the surface and lift matter out through the foaming action (5-10 minutes).
3. After a layer of foam has developed agitate with a stiff nylon bristle brush.
4. Wipe with a damp sponge before surface is dry. No rinse is required.
5. The full brightening effects will be seen within 24 hours. A second application may be necessary to achieve the desired results.
6. After cleaning, disinfect surface with Step 2 Kill Disinfectant & Deodorizer and apply Step 3 Control to provide long term mold resistance on the surface of the cured coating film.

Note: Always test surface, including textiles and fabrics, in an inconspicuous area prior to use. Always take care to avoid skin and eye contact by using protective measures such as nitrile rubber gloves (or equivalent) and safety glasses.

#### Precautions:

Do not return unused product to the original container. Properly dispose of all waste and unused product in accordance with local, State and Federal regulations. Keep from freezing. Store in a dry place at temperatures between 40°F (4.5°C) and 90°F (32°C). Store securely closed and upright in original container. Vented cap can leak if container is placed on side. Do not store in direct sunlight as this will reduce the potency of the product. Avoid shipping or storing below freezing or above 90°F. If product freezes, thaw at room temperature and shake gently to remix components

#### Safety Information:

KEEP OUT OF REACH OF CHILDREN. Do not take internally. Close container after each use. Avoid skin and eye contact by using protective rubber gloves and safety glasses. 24 hour Emergency "CHEM-TEL" - 800.255.3924

#### Product Specifications:

<b>Exposure:</b>	Interior or Exterior
<b>Active Ingredient:</b>	Hydrogen Peroxide
<b>Color:</b>	Clear
<b>Flash Point:</b>	Non-Combustible
<b>Odor:</b>	Odorless
<b>Maximum VOC:</b>	0 g/liter
<b>Clean-Up:</b>	Water
<b>pH:</b>	7.5-8.5
<b>Shelf Life:</b>	1 Year (Original Sealed Container)
<b>Package Sizes:</b>	1 Gal./ 32 oz Trigger
<b>Coverage:</b>	500-1200 Ft <sup>2</sup>
<b>Application:</b>	Trigger Sprayer Sponge/Brush
